EXPERIENCE

Feb-24 – April-24	Web Developer Varshi Tech <ul style="list-style-type: none">During my internship at Varshi Tech, I specialized in frontend development, focusing on React and Tailwind CSS to create visually appealing and user-friendly websites for clients. Additionally, I gained experience in integrating 3D models into web interfaces using Spline and Framer, adding innovative elements to enhance user engagement.collaboration with the development team, I acquired valuable insights into project planning, implementation, and testing, further honing my skills as a web developer. Overall, my internship provided hands-on experience and growth opportunities in a dynamic and supportive environment.
